- C#/ASP.NET
- SQL (MySQL, Oracle, Postgres)

Soft Skills

- Team player
- High adaptability
- Observant and curious
- Analytical Problem solver

Education Background

● Karunya Institute of Technology and Sciences, Coimbatore

Bachelor of Technology in Computer Science and Engineering
CGPA: 8.09 (current)

● The Aditya Birla Public School, Kesrol

Class 12: 9.01
Class 10: 9.10
(Completed in 2020)

About Me

Dedicated and detail-oriented Computer Science Engineer in the making, passionate about new technology and ready to acquire new skills. Ignited by passion, fueled by the gear of creativity and thirst for exploration.

Internship Experience

Intel Corporation | Unnati online Industrial Internship

May 2023 – July 2023

Key tasks:

- Research on the best ML/DL approaches and the relevant dataset(s) for solving the given smartphone price prediction problem.
- Analysis of relevant datasets and development of ML/DL models for regressive Smartphone Price prediction.
- Documentation and demonstration of the results for the same.

IBM Corporation | SkillsBuild with Edunet foundation

February 2023

Key responsibilities:

- Classify medical patients based on the chance of getting diabetes by analyzing the diagnostic parameters.
- Constructing a model for the problem and evaluating the performance of the model.

Cisco Systems | Cyber Security virtual Internship Program

July 2022

Key tasks:

- Complete 3 sub-courses:
 - Cisco packet tracer
 - Introduction to Cyber Security
 - Cyber Security Essentials
- After completing the courses, design the simulation of a network best suited for a large University using the Cisco packet tracer tools and configuration devices.

Work Experience

October 2022 – October 2023 *Coordinator, Finance*
IAESTE India, LC KU

November 2023 – Present *Head, Finance*
IAESTE India, LC KU

Achievements

February 2022 – August 2023 *Smart India Hackathon 2023*
Grand Finalists
